

# Duluth Area Directions / Moline Directions

## Things to Keep in Mind:

1. Duluth is built on a hill overlooking Lake Superior. The airport is "on top" of the hill. The downtown area is on the hillside overlooking the lake shore.
2. Moline is in west Duluth, approximately five miles west of the downtown area.
3. Moline owns four buildings in the area of Central Avenue and Raleigh Street:
  - The main office is in the brown brick building at 114 S. Central Ave.
  - The manufacturing facility is in the long white building across the street at 204 S. Central Ave.
  - The smaller white building (200 S. Central Ave) next to the 204 building also contains offices.
  - The Moline Technical Center is the tan building across from the 204 building at 211 S. Central Ave.
